- The monthly average is a simple average of the 22 daily cash settlement prices (and likewise for 3-month).
- Dates for 12–29 Oct were mapped from the sequence of rows in the Westmetall table and cross-checked against dated reports for 1, 2, 5, 6, 7, 8, 9, 14 and 30 Oct. For contractual use, verify against the LME or Westmetall directly.
